Website Design Order Form

Introduction

This is a short design questionnaire that will give us more understanding of what type of website design you would like.

If you feel that a question is not relevant to you, please feel free to leave the answer blank.

When you have completed the form, please return it to us together with a detailed company profile and all information you want to appear on your website so that we can begin work on your design.

If you felt unable to tell us something important in this questionnaire, please feel free to send us supplementary notes on a separate sheet.
